A guide to LocAle in the Trafford & Hulme Branch

CAMRA's LocAle accreditation scheme promotes pubs that sell locally-brewed real ale, reducing the number of 'beer miles' and supporting our local brewers.

The CAMRA LocAle scheme was created in 2007 by CAMRA's Nottingham branch who wanted to help support the tradition of brewing within Nottinghamshire, following the demise of local brewer Hardys and Hansons.

Everyone benefits from local pubs stocking locally-brewed real ale...

- Your pub benefits as stocking local real ales can increase pub visits
- Customers enjoy greater beer choice and diversity
- Local brewers gain from increased sales
- The local economy gains as more money is spent and retained locally
- The environment is gained as fewer 'beer miles' results in less road congestion and pollution
- Tourism due to an increased sense of local identity and pride - let's celebrate what makes our locality different.

Why should your pub / bar join the LocAle scheme?

Stocking a local beer can enable you to differentiate yourself from other local pubs, thereby gaining you new customers and increasing your beer sales. Stocking locally brewed real ale will also give your business the edge over supermarkets and off licences selling low-cost mass-market lagers.

What is my commitment?

Joining the CAMRA LocAle scheme is **FREE**. If you wish to benefit from participation in the scheme you must aim to ensure that at least one good quality locally-brewed real ale (see inside) is on sale at all times.

How will my customers know I sell LocAle?

FREE promotional material will be provided – see back cover.

How do I join the scheme?

Contact locale@thcamra.org.uk or call John on 07879 880972. Someone from the branch will then be in touch to assess if you qualify. Your membership of the scheme will then be approved at the next branch meeting.

CAMRA Trafford & Hulme Branch LocAle Breweries

To count as LocAle in Trafford & Hulme Branch pubs, a beer must be brewed with a 20 mile radius of the pub (or 25 miles by road if shorter).

The 70 breweries below are within 20 miles of the centre of Trafford & Hulme branch and will be the qualifying breweries for most pubs in the branch.
